

## **SERVICE TO THE SELF**

It serves you not to be timid and shy

It serves you not to feel but not express

It serves you not to love conditionally

It serves you not to speak the truth of others

It serves you not to feel disconnected

Instead My Dear Ones:

Connect with those upon the Ascended Realm so that you may stand in your own Light, which is indeed but a fragment of the true Divine Light.

In this way, will you throw Enlightenment upon your path, so that you may step forward with confidence and the assurance that you are completing your chosen DESTINY.

The Master Hilarion
